If you have not given us a new picture of your family, then they are from 2015! If you are not listed, it is because you have never given us your contact information. You can rectify that by turning in a **2021 Computer Database Update** (also on the table, next to the directories).

Readers! If anyone has read any good Christian Fiction or Non-Fiction books over the summer, please make a list and submit it to Audrey or Bobbie. They are creating a new book list for **PageTurners**.

Families of the Week

Duane & Nancy Jass

Please pray for continued healing and strength. Also pray for direction in future ministry.

Dan & Anna Judd

Throughout this week, pray that these individuals will sense God's presence and continued blessing in their lives, and his direction for their future.

Servant of the Week

Bruce & Julie Adamson

Converge Worldwide

Pray for the Thai believers in the Twin Cities that they can grow as disciples and go and share the word with more people. Pray also that God will bring forth a movement in the Twin Cities among the least-reached people. They are trying to spread the gospel to ethnic groups with fewer numbers of Christians. Praise God for the new Christians and pray that they will grow in their faith.

Pray that the church's understanding of the gospel would deepen and spread. Ask that this revolutionary knowledge of God's love, God's grace, and God's relationship will change how the church is able to interact with the world; that a deeper understanding of the gospel would lead to a better ability to connect with the broken around us.

Pray for our teachers as they begin to prepare for school and that they can show God's love in a challenging setting. Pray that God will give them encouragement and strength of character throughout the year.

Pray for Afghanistan as American troops are removed. Pray for the Christians who are being persecuted and that God will work through them and give them strength. Pray for Afghanistan's people and that they can come to know the Lord. Also pray for the refugees as they enter the United States and other countries, and that the churches will be able to work in their lives.
