ANNOUNCEMENTS

Together, as the people of Good News, God has called us to a mission. We want to bring the freedom of the Gospel to Mosinee and beyond. For that to happen we need God's power. Without prayer our mission lacks power. So we're going to try a new strategy.

Starting this past **Wednesday, December 1st** we are making Wednesdays a day to focus on prayer for our mission. We will be opening up the prayer room from 9am-4pm. There will be opportunities to pray with others from 9-10, 12-1 and 3-4, or, if you prefer, to pray alone. We will be following the ACTS acronym for our prayer: Adoration, Confession, Thanksgiving and Supplication. Each week we will focus on a different aspect of the church's mission and vision, highlight a ministry of the church, and target a need in our community. Then, each Sunday in the bulletin, we will note the emphases from the past Wednesday so you can continue in prayer for these items. We are wanting to develop a broader perspective to our prayers, not just praying about personal items and illnesses, but gaining a deeper awareness of how God works in our lives, our church, our community and our world.

Today we are collecting donations for the **Community Center of Hope**. Please let us know if you would be willing to take these donations to their location at the Methodist Church sometime this week. Thanks!

Today is also the church luncheon for Baby Knight! Lunch will be served immediately after the service. Stay and help us celebrate this wonderful time with the Knight Clan!

If you were planning on attending the **visitation or funeral for Joyce Lunkos next Saturday, 12/11**, please note that they have been postponed due to a family member testing positive for Covid. As soon as another date has been determined, we will let you know.

Don't forget to pick up a baby bottle from the back table for the Hope Life Center Operation Baby Bottle. Fill your bottle with coins and dollar bills, or write a check, and return it to church by December 19. Thanks!

Families of the Week

Jay & Maggie O'Connor

Jonathon & Angela Oatman

Throughout this week, pray that these individuals will sense God's presence and continued blessing in their lives, and his direction for their future.

Servant of the Week

Logan Pankratz

InterVarsity

Logan is currently working on transitioning to be the communication director at a local church in Minneapolis. Please pray that his transition will go well and he can continue to grow in his faith at his new position. Also, pray for the Nurses Christian Fellowship community in InterVarsity and that they can continue growing in their faith and as witnesses.

Please be in prayer for the family of Joyce Lunkos, who passed away last weekend. Pray that God will comfort them, and give them hope and healing.

Pray for unity amongst Christians everywhere, that we can come together and love through the good and bad times. Although we might not always see eye to eye, pray that we can still support each other and help each other to grow as children of God. Ask that God will give us wisdom and will continue to open our eyes to God's plans for us.

Pray for guidance for Christians in all walks of life. Pray that no matter where they are in their faith that God will continue to make himself known to them and that they will continue to draw near to God. Some people are struggling to find God and see what it is that God has in store for them; pray that their faith will grow stronger through their trials. Pray that God will use them for good things and that they can bring glory to God.
